

Josephine B. Pasquarello

josephinebpasquarello.com

Read Love and Loyalty and fall in love with the main character. Encourage family, friends, and acquaintances to read and learn from her ability to handle life in such a graceful manner. See how mob violence affects the families left behind.

Presentation Topics

Growing Up Italian

Discover how time around the table and taking care of family through food can create a rich legacy instead of just hours in the kitchen cooking and washing dishes.

Single Parenting

Learn how one mother of 12 did it all on her own after her husband was killed. What did it feel like? How hard was it for her just to get up each and every day with a positive attitude? What did she do when money was tight? What were her biggest struggles and how did she overcome them?

Dealing With Sudden Death

As a survivor, you are not just dealing with your loss and grief. If your loved one's death was brutal, you also need to know how to handle shock, uncertainty, fear, and concerns about the welfare of your family.

Being Both Mother And Father

She never wavered doing the impossible. Protector, police, financier, helper, chef, cleaner...as a single mom, she was all of these things and more.

Burial

As an adult, you may be handling end-of-life and funeral arrangements as well as your own grief. Learn what your children may be keeping bottled up inside themselves in an effort to keep you from worrying about their feelings, too.

The book was great, a must read! ♥
- Jackie Rossini Gonnella

What a beautifully written book. Your pain over the loss of your Father is very evident. The love you express for your Mother, her tremendous courage, determination and constant care and concern for her children was wonderfully brought to life.
- Toni Pasquarella McDole

Josephine Pasquarello's book Love & Loyalty is one of the best reads of this year. It is a great love story full of joy, pathos and humor. At the same time it is a mystery that unfolds as you laugh and cry your way through the book.
- Bob Delaney, Author/Critic

Josephine Pasquarello's book Love & Loyalty shows how determination and love can be triumphant even in the shadows of a dark and dangerous family secret.
- Dennie Vespi, Talk Show Host
